Neighbours of The Horseshoe Inn who lived just 150 yards away came in for lunch last Sunday. The first time in over three years they had visited. "What a transformation" said Mrs, "the place is so bright and a pleasant atmosphere with so many people here eating and drinking at the bar, but most of all, the food is absolutely excellent, and very reasonably priced."

Our neighbours are another couple who join over 350 people that have taken the time since last May to record their personal and independent feedback on the food and service here at The Horseshoe Inn. Their comments have been captured by web site www.localsecrets.com in Cambridge. As a result The Horseshoe Inn enjoys the highest status of 4 Stars, a rating of 'Excellent'.

Another accolade recently achieved is our 'Scores on The Doors'. This is the Huntingdon District Councils environmental health inspection process which scores every food establishment in the district. The Horseshoe Inn is proud to show its Four Stars depicting a 'Very Good' score. This puts us in the top 2% of Pub Restaurants in the district. Next time we expect 5 stars, the ultimate 'Excellent'.
